## CITIZEN FC-100N Junior Calculators

### NEW & EXCLUSIVE

#### 2-line display

- The top line shows all calculation steps incl. symbols and brackets.
- The bottom line shows the result.

$$5 \times (4 - 2) = 5 \times (4 - 2) 10.$$

#### Remainder function

- Unique function shows quotient and remainder (R) in division operations.

$$20 : R6 = R=2 3.$$
